

MICROSOFT 365 PLANS

Select the Right Solution for Scalability and Cost Savings

Choosing the right Microsoft 365 plan can substantially impact your organization’s efficiency, security, and productivity. Microsoft offers multiple plans with various benefits designed to optimize different business needs. Two of the most popular subscription plans are Microsoft 365 E3 and E5. While both provide significant advantages, Microsoft E5 offers a more comprehensive feature set. Use the chart below to gain an understanding of the differences between E3 and E5.

As a Microsoft Solutions Partner, Connection offers products, technical expertise, services, and solutions to help your business adapt to the ever-changing technology landscape. We drive innovation for your organization through delivery and deployment of Microsoft hardware, software, and cloud solutions by leveraging our breadth of knowledge and proven capabilities to ensure you gain the most from your Microsoft investments.
